THE Pennsylvania Historical Association is designed to serve as a coordinating body to aid, supplement, and make more effective the efforts of the local historical societies and their federation and to stimulate the interest of teachers and other individuals who are concerned with the history of the Commonwealth. Its general aims are to promote scholarly activity in the history of Pennsylvania and the teaching of state history in the schools and colleges of the state. It is planned to accomplish these objectives through annual meetings held successively in different parts of the state and through the publication of articles, books, and source material pertaining to Pennsylvania history.

The Pennsylvania Historical Association publishes PENNSYLVANIA HISTORY, its Quarterly Journal, to make available articles embodying current historical research on Pennsylvania, news of historical activities, and reviews of books which will be of interest to historically-minded Pennsylvanians. The News and Comment section of the magazine serves the Pennsylvania Federation of Historical Societies, the county and local historical societies, and the Pennsylvania Historical and Museum Commission, as a clearinghouse for news of their activities. The annual subscription rate is $4.00.

A cordial invitation is extended to all to join this organization. Application for membership may be made to the Secretary, Dr. Robert K. Murray, Pennsylvania State University, University Park, Pa. Membership dues are as follows: active (annual), $4.00; sustaining (annual), $10.00; life, $100.00; patron $1,000.00. All members receive the magazine free.
